Dear Sir:

I have been a subscriber to XM Radio for over 2 years. Recently they added 24 hour traffic and weather for our local area of Phoenix, AZ. This has been a great and beneficial addition to their program lineup.

It is my understanding that the National Association of Broadcasters (NAB) has petitioned your organization to prevent XM Radio from continuing this programming. Whatever happened to a better product and service to meet competition. XM radio provides the best and most comprehensive traffic and weather coverage in the Phoenix area of either radio or TV.

I would respectfully ask that you oppose NAB Petition 04-160.

Thank you,

John F. Guderian
